Dear Clients, Friends and Counsel:

As most of you know by now, Jordan Law Offices, P.A., has combined its practice with a fine group of attorneys. And although my office is now in Wake Forest, we're still convenient for most of my clients. See our new web site www.warrenjordan.com for more information, directions and contact info.

For our clients, you will still receive the quality legal service from me that you have for many years. I will continue to work full time to meet your needs in my practice areas. When I am out of the office, or involved in another matter, there is now more depth and backup resources than in the past. In addition, many services which I have been unable to offer are now available from my partners, including real estate, personal injury, traffic and family law.

Please make a note of my new contact information. However, if you forget, the other phone number and emails will still forward.

Your friendship and your support are greatly appreciated and I look forward to serving you from our new firm in the years to come.

Yours sincerely,

James F. Jordan
